Parents,

We currently use email as one of our sources for contacting our families. These emails could contain information about what's going on in your child's class, re-registration, or any other information that could be helpful to you. Emails will also be sent out if a closing or early pick up situation occurs due to bad weather or electricity outings. Your email address will only be used by the Rainbow Station administrative staff, your child's teacher will not have access to the email addresses nor will they be shared/sold to any other company. If you would like to be included in our email list please fill out this form and turn it in to your child's Site Director or our administrative office so that we can add you to our list.

Also, we are now on Facebook. We will be posting any emails sent out on our Facebook status, so if you do not have an email address you would like to share with us you can also friend request us to get updates.
